GuangZhou ZhenHao Aut Parts

ZHENHAO AUTO PARTS

Guangzhou Zhenhao Auto Parts Co., Ltd. is a professional manufacturer of automotive chassis components, with a 3,000-square-meter factory and a team of 52 skilled workers and technicians. Our main products include power steering racks, steering pumps, shock absorbers, and air conditioning compressors.

For many years, we have focused on the aftermarket, providing compatible parts for Japanese, European, and American vehicle models. We strictly control raw materials, production processes, and final inspections to ensure consistent product quality and competitive pricing.

Our customers are primarily from Southeast Asia, the Middle East, and Africa. We support OEM andODM customization and accept both bulk orders and sample orders. We consistently uphold integrity
